Educational Background

-2018.9~present   **University of Technology Sydney**   *Australia*
  - PhD student in Software Engineering
  - Current research lies in **Program Analysis and Software security**

-2008~2011   **University of Technology of Troyes**   *France*
        Engineer (Master) in Information and Telecommunication System
  Honors：   "Very good semester" in Spring 2009

-2004~2008   **Xi'an Jiaotong University**   *China*
        Bachelor in Information Engineering
  Honors：   Outstanding Graduate (2008)   Excellent Student(2006,2007)
        "Hejian" Enterprise Scholarship(2007)   "Siyuan" Scholarship(2004, 2005, 2006)

Working Experience

-2016.3~2018.8   **Xijing University   Lecturer**   *Xi'an*
  - Teach *C Programming Language*; Teach *Java Programming*
  - Teach French – level beginner 1
  - Guide students in *Lan Qiao* Java competition, 6 students are awarded

-2015.7~2015.12   **Huawei Technologies Corporation   Project Manager**   *Shenzhen*
  - Take charge of the cooperation with Africa in Akon Lighting Africa project.

-2012.3~2015.7   **CETC International Corporation   Project Manager**   *Beijing, Surabaya*
  - Take charge of several international projects relating to Indonesia, Sri Lanka and Algeria；
  - Take charge of overseas delivery/implementation in Surabaya;
  - Organize technical trainings of foreign engineers in China.

Project/Research Experience

-2018   **Research Topic: Interprocedural dataflow analysis via graph reachability**
-2018   **AI Programming Foundations Nano Degree**   *verified by Udacity*
  Projects: Flower species identification using Deep Learning; Linear Regression; Explore dataset.
-2011   **Engineer End-of-Study Project（6 months）   NWPU**
  Project：Remote Service/Management System of Networked Industrial Equipment

Language Skill

English：Fluent   GRE (327+3.5 in 2017),   TOEFL(101 in 2017),   TOEIC（890 in 2015）
French：B2+   French-Chinese Translation Certificate Level 3

Miscellany

Natation, Basketball, Badminton, Calligraphy
